Proof of car insurance is required to participate in any moving auto event. Under VTR rules, all Triumphs entering Concours and Participant's Choice Competitions must participate in at least one moving event. Tech and safety inspections are required for the autocross event and will be held Thursday, during event registration, and Friday morning. Seatbelts, fire extinguishers and helmets are required for the autocross event. Any Triumph may be disqualified for the autocross event at the Track Steward's discretion for safety reasons.

I am aware of the hazards inherent with motor vehicle events and I specifically release and do indemnify the organizers, supporting sponsors, the Georgia Triumph association and Vintage Triumph Register, collectively and separately, from any and all liability from personal injury or property damage incurred by me or my guests while participating in this convention.
